Marie Archer, Aberdeenshire Council: Will a recording be available of this session?

Emma Scott, SURF: Yes, Marie I will send out a link

Jillian Connelly, Elevate: Very sorry I am having a few technical issues with my system today and there are builders outside demolishing a building making it pretty impossible to turn on the sound. I work in a recovery employability service. Can participants self-refer to all the services mentioned by the speakers? How would my service get our participants involved in these programmes?

Jillian Connelly, Elevate: thank you

Janine Matheson, Creative Producer: thank you to SURF and the speakers, super interesting to hear from you all. I'm afraid I need to leave a bit early as hosting an event.

Jillian Connelly, Elevate: I have to leave for another meeting. It was really interesting to hear how everyone is adapting and delivering in this time. Hope to find out more in the future. Thank you for your time.
